Site Plan Application:

Bennett LLC: Property located at 9510 Crystal Beach Rd. Request to construct bunk room and bathroom in existing garage.

Ms. Bennett stated due to the increase of her family over the years, she would like to add a bunk room and bathroom in her existing garage that would be used approximately 2 weeks in the summer.

Mr. Harrop, stated the following:

- The existing structure is located on 1 ½ acre lot and meets the setback requirements.
- This was a unique opportunity to approve what others in the area have and are already doing.
- It has an approved septic system for the proposed project.
- He had no issue with this request.

Mr. Witkowski made a motion to approve the site plan application as submitted, seconded by Ms. Gabel.

Upon discussion, the following items were noted:

- It fell in character with the neighborhood.
- The applicant was adding onto an existing structure.
- It met all setback requirements.
- One extra light would be added to the door entrance in order to match the existing one already there.
- In case of an emergency, the double windows would serve as a safety egress.

Upon further discussion, a roll call vote was taken to accept the site plan application as submitted. Ayes-5. Nays-0. Absent-1.
