NEW BUSINESS:

AREA VARIANCE APPLICATION NO. 03V14: James Thomas. Property located at 9559 Eagle Rock Trail, Town of Wayne. Request relief to construct 20 ft. by 30 ft. pole barn on existing non-conforming lot in R-2 district. 6.3 & 7.2.3

Mr. Thomas stated the following:

- He wanted originally wanted to construct a 20' by 30' pole barn for storage.
- In order not to need two variances, he would change the width from 20 ft. to 19 ft.
- The lot size is 5,400 sq. ft. and the minimum is 20,000 ft. in that district.
- The structure would meet the setback requirements now that he changed the width of the pole barn to 19 ft.

Mr. Blessing opened the floor for comments.

Ms. Kurtz stated 13 letters were sent to the neighboring properties and 3 were received back. Ms. Riorden's letter dated July 7, 2014, stated concern about potential drainage issue, both Mr. and Mrs. Dubendorfer stated concern about safety.

Ms. Dubendorfer was present to voice her concern about the possible location of the driveway with regards to her elderly neighbor and potential crime site for robbery.

Ms. Dietrich stated the Zoning Board of Appeals role was to address zoning regulations, in this case, the request to build on an undersized lot in an R-2 district.

Mr. Blessing closed the public hearing.

Upon completion of the Area Variance Findings and Decision sheet, Ms. Dietrich made a motion to approve application with the stipulation the applicant change the building width to 19 ft. from 20 ft. with a 6 ft. overhang on the east side and subject to existing land use regulations, seconded by Mr. Blessing.
