

TOWN OF WAYNE
BOARD MEETING MINUTES
November 8, 2016

A public hearing was held to present the 2017 Preliminary Town Budget. Supervisor Butchko reviewed the budget. Mr. Jeff Martin inquired if there is anything set up in the budget for money and/or 'in kind' services if the town should receive the grant for the 'Little Lakes/Hydro' project. Supervisor Butchko replied, 'No not at this time.' No other discussion or comments from the public.

A public hearing was held to present and discuss Local Law No. 1: To Place a Moratorium on the Issuance of Permits for Non-Residential Solar Facilities in the Town of Wayne. No discussion and no comments from the public.

A notice of permissive referendum was read to utilize a portion of the Town General Fund Water Reserve up to \$3500 for Department of Health upgrades to the town's water system. No discussion and no comments from the public.

Supervisor Butchko called the Board Meeting to order at 6:50 pm, with roll call and Pledge of Allegiance

Present: Supervisor Butchko
 Councilperson Carlson
 Councilperson Haar
 Councilperson Haff
 Councilperson Freeman
 Clerk Mooney

Also present: Joe Hauryski, David Bauer, Jeff and Lulu Martin, Les Reimsnyder IV, and Tom Freeman

Approval of Minutes

Minutes from the Town Board meeting of October 11, 2016 were reviewed and corrections made. Motion to approve the minutes as amended was made by Councilperson Carlson, seconded by Councilperson Freeman, all in favor.

Guest Speaker

Mr. Joe Hauryski from the County Legislature was here to update the town on County activities.

Next Tuesday the County will present the 2017 budget. The tax levy will be decreasing as will the tax rate. It costs approximately 42 million dollars to run the county, and the levy is approximately 50 million dollars. One reason for this is the non-standardization of assessments. There are still 5-6 towns without equalizations. The County's eventual goal is county-wide equalization.

The County received money from Pave New York, and was able to use that to do more road work, and to get closer to their 5 year plan. Steuben County has the 3rd highest number of road miles of all the counties in the state, and is the highest in the state for the number of bridges.

The county office building project is moving forward. They hope to start breaking ground in the spring of 2017, with completion in 2018. It will be a 2 story office building with some conference room space. There will also be a single story building out by the barn for long term storage of records.

The County is looking to hire approximately 12 new attorneys for the public defense program. The State may or may not pick up the cost for these additional attorneys.

The Sheriff's Department, Mental Health Department, and the Public Health Department will all be working together to develop a drug program. May see more information about that after the first of the year.

The County Legislature's electronic newsletter will be coming out in the next several days. The County would appreciate feedback regarding the newsletter, such as; is it helpful? Do you read it? What other information would you like to see included in it? Etc.
